### **PRESIDENT OF INTUITIVE CONCEPTS IS A TOP FINALIST FOR CHAMBER'S 2009 BUSINESS PERSON OF THE YEAR**

*SUNBURY, OH* – Diana Garber, President & CEO of Intuitive Concepts, was one of four finalists for the Westerville Chamber of Commerce's 2009 Business Person of the Year award. Scott Hrabcak, Tom Campbell and Dave Forster were the others.

Criteria for the award includes a business professional that works hard; is committed to their job and the community; and a person who demonstrates teamwork, leadership, and communication skills. The award focuses on the business person (not the specific business), and represents any size business within the school district. The nominee must demonstrate a reputation of personal integrity and fair business practices.

Candidates were interviewed by a selection committee, and the award recipient was announced. All finalists will be honored at the annual stakeholder dinner on January 26, 2010, at Crowne Plaze Columbus North. Garber is quoted as saying, "It was such an honor to be considered, and especially to make the list of finalists. Thanks to Westerville Chamber for recognizing our hard work and dedication."
