### **Grand Opening Held for Castle Hills Family Practice Texas' First Feng Shui Medical Clinic by Intuitive Concepts**

SUNBURY, OH, (April 3, 2013) Castle Hills Family Practice selected suite 100 at 2277 N.W. Military Highway, San Antonio, TX, for their new wellness clinic. Dr. Hormazd Sanjana, and office administrator, Shernaz Sanjana, collaborated with Feng Shui Master Diana Garber of Intuitive Concepts, architect Kyle Tostensen, and contractor Fabian Construction to design the new clinic.

“The design of the clinic, as well as the grand opening, exceeded expectations,” said Dr. Sanjana. The ribbon-cutting ceremony kicked off an enjoyable evening. Attendance was well over one hundred and included Castle Hills government officials; the Chief of Police; dignitaries from American Association of Physicians of Indian Origin; physicians, and patients. Clinic tours were conducted by staff, and Feng Shui tours were conducted by Diana Garber.

The clinic’s new location and design were well received. One patient remarked, “I love the new office – it feels brighter and makes me happier.” Dr. Sanjana is able to confirm this since her treatment has shown significant improvement following the move to the new space.
