TANSKY SAWMILL TOYOTA AND INTUITIVE CONCEPTS GIVE PRE-OWNED AUTO CENTER NEW LIFE WITH FENG SHUI

COLUMBUS, OH, (April 11, 2012) – The building located at 3615 E. Dublin-Granville Road has been vacant for quite a while. The reason it remained empty was because none of the three former businesses occupying the building since 1994 (a restaurant, car dealership, and a car-rental service) succeeded in this location.

When Tansky Sawmill Toyota bought the building for its pre-owned auto center, they were concerned about the past history of the structure. Since they didn't want to repeat the same pattern, they hired Intuitive Concepts' Feng Shui Master and Consultant, Diana Garber, to assist them in creating a prosperous future for their business.

Garber's analysis helped clarify the source of the problem and the reason why it didn't work for its past owners. In addition, Master Garber developed an action plan to assist Tansky Sawmill Toyota to draw success to the structure and their business.

Working with Architectural Alliance, Garber's plan included redirecting traffic, landscape changes, moving the entrance, and new interior features. Construction began in November which was a great Feng Shui energy month to begin this project, and the grand opening is scheduled for April 21st.
