### **Tansky Sawmill Toyota's Service Department Grand Opening Feng Shui Provided by Master Diana Garber of Intuitive Concepts**

SUNBURY, OH, (June 13, 2013) It has been over three years since plans began to remodel Tansky Sawmill Toyota's facility on 6300 Sawmill Road in Dublin, Ohio. The scope was to remodel the original building, but the Tansky family wanted to expand their impact in a way that serves the community, society, and ultimately the planet. They decided to engage Master Diana Garber of Intuitive Concepts to explore Feng Shui (which defines how we react to our environment).

Garber started working with Architectural Alliance and the Tansky leadership group, and the new design was born. Turner Construction joined the team and the collaboration resulted in the only LEED (Leadership in Environmental Energy and Design) and Feng Shui dealership in the world.

If you haven't visited, the new facility is a sight to behold; but more importantly experience. In the service area, you are met by a valet and the appointment ends with a clean vehicle. While waiting, you'll enjoy a homey atmosphere that's technology-friendly with warm cookies and refreshments.

June is the service department's grand-opening month and special deals are taking place all month long. Those who stop in to register for grand prizes between June 1 and June 21 can win up to \$1,000. The official grand opening is June 22 and will be broadcast on QFM96 and streamed on the internet. Visit and enjoy, and let us know your thoughts!
