INTRODUCTION TO THE REAL FENG SHUI **Diana Garber to Speak in Columbus, Ohio**

Diana Garber, President & CEO of Intuitive Concepts, will be leading a workshop Thursday, June 26, 2008 at Bath Works to discuss classic Feng Shui. Contrary to popular belief, Feng Shui goes beyond “health” and “relationship” areas to actually diagnose energies in our environment. Garber says “Classic Feng Shui is risk management. Once aware of the energies that exist in a structure, we are able to proactively manage its risks.”

This event is co-hosted by the Interior Design Society. The workshop will educate participants on terminology and methods, discuss how different directions affect different people and body functions, and delve into Feng Shui impacts to interior decorating. This is one event you will not want to miss!

Bath Works is located at 2645 Morse Rd. in Columbus, Ohio. The event will be held June 26, 2008 from 11:30 am – 1:30 pm. Lunch is provided. The event fee is \$8. IDS Members are free. For more information, please visit our website at www.intuitiveconcepts.com.
